

15. TRANSFERS AND APPOINTMENTS – 2018

I am happy to make the first set of transfers and appointments in the Archdiocese. Every transfer is a moment of grace and opportunity for those appointed to experience the unfathomable heights and depths of God's love. I have no doubt the Priests will give off your best in the places that they are assigned. Let them put to best use their talents and charisms to be worthy instruments in the hands of God to reach out to the needy.
